## TUITION

Tuition Fees are based on a 32 week year and are divided into 8 equal payments of 45\$ from September to April. The 1st monthly payment and registration fee are non-refundable and are due at the time of registration, along with the remaining monthly payments. Payments for the rest of the year can be made in full or in 7 post-dated checks. All post-dated monthly payments are due at registration; registration will not be processed otherwise. Every check covers the cost of four classes. In the case of holidays, the third or fourth class may carry over into the following month. [For this reason, Monday night classes run until May 31st; whereas Wednesday night classes end May 12th.] NSF checks will be charged an additional 35\$ in handling fees. There is a one time Registration Fee of 20\$ per student.

Additional costume fees may be required for our year end show. Students will be required to perform at this event, and, depending on their age and level, other competitions and performances throughout the course of the year.

Families with more than one student enrolled in classes can receive a family discount: the first student is full-price; however, any subsequent siblings receive 10% off of their tuition fees.

Cancellations must be given in written notice one month prior to cancellation date and a cancellation fee of 1 month's tuition will be charged from that date, once classes have started. Verbal notification to any instructor will not be accepted in lieu of written notice.
